

She's so smart, I will never be that smart.

I can always improve, so I will keep trying.

Challenging work means I am training my brain.

How can I keep improving?

Miss Smith has made the work too hard.

I could try another strategy.

I'm never going to be good at spelling.

I will keep practising.

I don't need to know about fractions. I'm not going to use it.

I've answered 4 questions. That's enough.

This work is challenging, but with time and effort, I can do it!

I'm stuck. How can I get out of the learning pit?

I couldn't do the work, no one would help me.
